

**BEACHY HEAD RAMBLERS**  
Claiming Unregistered Rights of Way

**DID YOU WALK THROUGH ST ELISABETHS CHURCH GROUNDS?**

Until the old church was demolished it was possible to walk through the grounds of St Elisabeth's Church between Victoria Drive and Baldwin Avenue.

We want to make sure that you will still be able to do so when the site is redeveloped and we believe that we can do this by adding the old route to the rights of way map. To do this we need to be able to show that people had been walking through the grounds for the last 20 years before they were closed off.

To do this we need people to fill in forms giving evidence of their use of the path.

A form you can fill in is attached. It asks a number of questions, some of which may seem a bit odd, but are needed for legal reasons. There is also a map for you to show which route you used.

If you know of anyone else who has used the route please let them know about this. You can download more copies of this form from the Beachy Head Ramblers web site at <http://www.beachyheadramblers.com/>

Please return the form to Beachy Head Ramblers at 34 Gore Park Road Eastbourne BN21 1TQ. Or please scan the form and email it to [admin@beachyheadramblers.com](mailto:admin@beachyheadramblers.com) , but we do need a signature on the form.

Thank you

Beachy Head Ramblers

*Note: A copy of the form you fill in will be kept by the Ramblers for this application only. It will not be used for anything else. It will be passed to East Sussex County Council to process the application to add the route to the map. They might send it to the Planning Inspectorate. The evidence you have provided may be made public (minus any contact details) by the council. The Ramblers will delete their copy of your form when the path is securely on the map. You can see the policy of the county council at*
